Dear Sir or Ma'am:

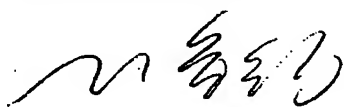

We are respectfully submitting an inquiry for the above identified patent application because our client concerns the examination process for this patent application requires an extended period than the other utility patent applications in general.

Please inform us regarding current status of this patent application in your earliest convenience. I truly appreciate your cooperation for these matters.

If there is anything we can further assist you with, please do not hesitate to contact the undersigned.

Respectfully Submitted,

Park & Sutton LLP
